
Bonnie McIntosh, MBA, MPH, BA Community Health, CHES®

Windsor, Ontario | Phone: 1(800)958-9223 | Email: mbonnie@acehealth.com

PROFILE

- Ambitious business leader with 12+ years of progressive industry experience with health, business, and research. Advanced academic training with health, business, and research. Held 19 community/academic service roles and 4 leadership roles
- Dedicated lecturer with 7+ years of experience with teaching undergraduate and graduate level courses at the University of Michigan
- Experienced with developing and teaching courses in the following formats: online synchronous, online asynchronous, hybrid, and traditional
- Authored 16 peer reviewed national and international conference presentations, 9 peer reviewed journal publications, 2 published technical reports, and obtained 22 grants/awards
- Organized and productive individual with a demonstrated ability to be an inspiring and effective communicator

EDUCATION: DEGREES

Master of Business Administration University of Michigan - Flint, Michigan	2018
Master of Public Health West Chester University - West Chester, Pennsylvania	2009
Honours Bachelor of Arts, Community Health Brock University - St. Catharine's, Ontario	2005

EDUCATION: CERTIFICATIONS

Certified Wellness Coach Mayo Clinic - Rochester, Minnesota	2021
Certified Health Education Specialist National Commission for Health Education Credentialing, Inc - Whitehall, Pennsylvania	2020
Certificate in Intensive Course Development for Online Instruction University of Michigan - Flint, Michigan	2020

CORE COMPETENCIES

- Planning, implementing, evaluating, and disseminating health programs
- Health business management
- Research Human Subjects Protection Training (NIH, TCPS2: CORE, and UMich)
- Stakeholder engagement
- Familiarity with academic policies
- Effective written and verbal communication skills
- Consultations and teaching using a variety of formats
- Descriptive and inferential statistics, as well as observational, experimental, qualitative, and mixed-methods research acumen
- Software: MS Office Suite, MS Project, Adobe, SAS, SPSS, R, NVivo, ArcGIS, REDCap™, SurveyMonkey®, Qualtrics, Blackboard, Canvas, Zoom, Google Suite, Flipgrid, Canva, Web Expressions, Animaker, Weebly, Appypie, and Book Creator™

RELEVANT EXPERIENCE

University of Michigan - Dearborn, College of Education, Health and Human Services	01/2017 - Current
University of Michigan - Flint, College of Health Sciences Lecturer (Taught: Undergraduate and Graduate Level Health Courses) - Dearborn and Flint, Michigan	09/2014 - Current

- Promoted: Intermittent Lecturer to a Lecturer I, and then to a Lecturer II at the University of Michigan - Dearborn, and Lecturer I to a Lecturer II at the University of Michigan - Flint

- Developed curriculums and taught for online synchronous and asynchronous, hybrid, and traditional courses: Epidemiology, Health and Engaged Citizens, Health Careers, Health Education, Medical Terminology for Health Professionals, Introduction to Medical Terminology, Health Sciences, Health and Wellness, and Public Health
- Taught courses using web-based learning management systems, and measured the performance of students' using online interactive quizzes, assignments, labs, and exams, as well as collaborative tools (e.g., blogs, wikis, discussion boards, webinars, and video-conferencing). Hired and managed a team of course graders and instructors, and approved staff payroll hours for HR processing
- Collaborated to develop department course blueprints to improve student enrollment and program experience. This work required academic and administrative planning for undergraduate and graduate programs
- Presented at several conferences; authored a peer reviewed published study in the Canadian Journal of Diabetes. Led this province-wide mixed methods study that described healthcare providers' views on treatment guidelines
- Teaching excellence: On a scale of 1 = poor to 5 = excellent, my median score = 5 when students were asked "compared with other college instructors you have taken courses from, how would you evaluate this instructor"
- News article about my teaching: Blouin, L. (2018). The New Class That's Giving Students a Crash Course in Personal Health and Wellness. *University of Michigan - Dearborn Reporter*. Available at: <https://umdearborn.edu/news/all-news/articles/new-class-thats-giving-students-crash-course-personal-health-and-wellness>

ACE Community Health

07/2014 - Current

Principal Consultant (Focus: Health Promotion, and Research) - Windsor, Ontario

- Led revenue generating strategies and operations for projects at a health promotion practice located at the University of Windsor; these projects focused on developing wellness programs and producing health promotion products that empowered people in communities to live healthy lifestyles
- Managed negotiations (e.g., Publication Permission Agreement with Harvard University) and client account strategies, developed and managed budgets, hired and managed staff, and facilitated student internships
- Designed, implemented, and evaluated research programs (e.g., clinical trial, qualitative research, mixed-methods research, and observational research), led presentations, as well as authored reports and publications
- Identified and secured collaborations on projects with leading entities: British Columbia Children's Hospital, University of Ottawa, University of Michigan - Flint, Central Michigan University, Genesee County Hispanic Latino Collaborative, University of British Columbia, Willmac Trading, Islamic Society of Markham, British Columbia Child and Family Research Institute, Veggie Village, Mr. Softie Toilet Paper, Clothing Outlet, and Maple Louise Fashions
- Authored a peer reviewed published study in a Cochrane Database Systematic Review Supplement. Led this study describing the engagement of small businesses in health promotion through workplace wellness programs
- Presented at the Center for Disease Control and Prevention, the Society for Public Health Education, and more

University of British Columbia, School of Population and Public Health

05/2012 - 08/2013

Canadian Institute of Health Research/Propel Centre for Population Health Impact

09/2010 - 08/2011

Graduate Research Fellowship (Focus: Health Care Research) - Vancouver, British Columbia, and Waterloo, Ontario

- Researched healthcare services: (1) access to quality care, and (2) clinical integration
- Pooled multiple cycles of large datasets from the Canadian Community Health Survey to perform univariate, bivariate, and multivariate analyses (e.g., predictive and hierarchical modeling)
- These studies informed the design of a national cancer survivorship clinical integration network
- Authored a peer reviewed published protocol in a Cochrane Database Systematic Review Supplement. Led this protocol that defines how to develop a framework to evaluate patient clinical navigation services
- Recipient of several awards to present research at conferences

British Columbia Children's Hospital, Endocrinology and Diabetes Unit

11/2011 - 03/2013

1. Program Manager (Focus: Managed a Multi-Site Province-Wide Program) - Vancouver, British Columbia 2012 - 2013

- Managed the operations, and program strategies for a community-based multi-site childhood obesity prevention program that was implemented in three pilot communities in British Columbia; this multi-site program focused on systematically improving national prevention and control standards/policies
- Provided direction for a cross-functional team, managed negotiations, tracked projects, and developed budgets

- Used models and metrics to provide direction around measuring and improving program initiatives, processes, outcomes, impact, and participant behavior based on models
- Managed thematic and descriptive analyses, and quantitative, qualitative and mixed methods research
- Guided strategic plans for forming and sustaining partnerships, managed partnerships with 50+ stakeholders, five research studies, high-level federal grants (e.g., CIHR, and PHAC), several in-kind contributions, and supported fundraising and community townhall events
- Authored three peer reviewed publications, and presented at conferences

2. Research Coordinator (Focus: Managed Healthcare Research Projects) - Vancouver, British Columbia 2011 - 2012

- Promoted to the program manager
- Designed and implemented descriptive statistical analyses, and thematic analyses
- Designed and implemented observational, qualitative, and mixed methods research
- Authored three peer reviewed publications, and presented at conferences

West Chester University, Office of Institutional Research 08/2008 - 12/2009

Graduate Assistant (Focus: Statistical Analyses for Student Enrollment and Retention) - West Chester, Pennsylvania

- Conducted literature reviews, provided summaries, and assisted with univariate statistical analyses
- Member of the Middle State Commission on Higher Education Committee to implement process improvements
- Created a university-wide student survey to measure the effectiveness of student and academic services
- Authored two working group technical report publications: West Chester University Fact Books (2008 and 2009) provides an important overview of the university for stakeholders, donors, and the public; these books contain student counts on admissions, enrollment, degrees conferred, demographics, costs, and historical information

ADDITIONAL EXPERIENCE

University of British Columbia, School of Population and Public Health (SPPH) 09/2013 - 12/2013

- Teaching Assistant (Graduate Level Course Taught: SPPH580C Health Survey Methods) - Vancouver, British Columbia

Fox Chase Cancer Center (FCCC) [Masters Practicum] 08/2009 - 12/2009

- Intern (Project: Needs Assessment for the first FCCC Key Stone Survivors Program) - Philadelphia, Pennsylvania

Public Health Management Corporation 04/2009 - 08/2009

- Evaluation Intern (Project: Mental Health and Hospital Discharge Programs) - Philadelphia, Pennsylvania

Canadian Cancer Society 01/2005 - 04/2005

- Health Promotion Intern (Project: Tobacco Prevention) - Niagara-on-the-Lake, Ontario

CLINICAL TRIAL

Title: English as a Second Language Health Literacy Program | **ClinicalTrials.gov Identifier:** NCT04125680

Principal Investigator: Emily Feuerherm | **Co-Investigators:** Bonnie McIntosh, and San Juana Olivares

PEER REVIEWED NATIONAL AND INTERNATIONAL CONFERENCE PRESENTATIONS

1. Santos, M., Wagner, T., Wångdahl, J., Feuerherm, E., **McIntosh, B.**, and Harsch, S. (October, 2021). Promoting Migrants' Health Literacy in Second Language Courses: Opportunities, Limitations and Best Practice. Virtual panel presentation at the 2021 Global Health Literacy Summit, Institute of Sociology, Germany.
2. **McIntosh, B.**, Atoyebi, O., and Feuerherm, E. (April, 2021). Phase I: Designing and Implementing Digital Content for an ESL Health Literacy Program. Virtual panel presentation at the 2021 Cross-Disciplinary Conference on Engaging Humanities in Health, University of Pittsburgh.
3. **McIntosh, B.**, and Feuerherm, E. (October, 2020). Health and English as a Second Language Literacy Program (HELP): Bridging Health, Culture, and Linguistics Following a Public Health Crisis. Virtual poster presentation at the Center for Disease Control and Prevention: Health Communication Marketing and Media Forum.

4. **McIntosh, B.**, and Feuerherm, E. (March, 2020). English-as-a-Second Language Health Literacy Program: The Process of Engaging Diverse Stakeholders for a Social Practice. Virtual poster presentation at the Society for Public Health Education 71st Annual Meeting, Atlanta, Georgia.
5. **McIntosh, B.** (July, 2018). Types and Sources of Information: A Needs Assessment of Cancer Patients and Providers. Panel Presentation at the 2018 Windsor Cancer Research Group. Windsor Regional Hospital, Windsor, Ontario.
6. **McIntosh, B.**, Feuerherm, E., and Olivares, S.J. (November, 2018). Engaging Stakeholders to Prevent Lead Exposure: Lessons from a Community-Wide ESL Health Literacy Program. Poster Presentation for the 4th International Cancer Research Conference. Windsor, Ontario.
7. Feuerherm, E., **McIntosh, B.**, and Olivares, S.J. (March, 2018). Phase I of a Journey: A Community-Wide Initiative to Improve Lead Exposure Prevention through an ESL Health Literacy Program. Panel presentation at the 2018 Healthy Flint Research Coordinating Center (HFRCC) Symposium, Flint, Michigan.
8. **McIntosh, B.**, Khatchadourian, K., and Amed, S. (December, 2015). Healthcare Provider Perspectives on Barriers and Facilitators to Adhering to Treatment Guidelines for Childhood Diabetes. Poster presentation for the World Diabetes Congress, Vancouver, British Columbia.
9. **McIntosh, B.**, and Wolfson, M. (March, 2015). Using the Cancer Risk Management Model to Predict the Long-term Impact of Colorectal Cancer Screening: A Study Protocol. Poster presentation for the 2015 Population Change and Lifecourse Strategic Knowledge Cluster, Ottawa, Ontario.
10. Shea, S., **McIntosh, B.**, Daly, A., Collet, JP., Wharf-Higgins, J., and Amed, S. (June, 2013). A Social Media Strategy and Evaluation Plan for the Sustainable Childhood Obesity Prevention Through Community Engagement (SCOPE) Project. Poster Presentation at the Canadian Public Health Association 2013 Annual Conference, Ottawa, Ontario.
11. **McIntosh, B.**, and Kazanjian, A. (May, 2013). Use of Colorectal Cancer Screening Technologies among Immigrants: Provider Role and Contextual Factors. Poster Presentation at the 2013 Canadian Agency for Drugs and Technologies in Health Symposium, St. Johns, Newfoundland.
12. **McIntosh, B.**, and Kazanjian, A. (April, 2013). The Use of Health Technology in Improving Psychosocial Health among Colorectal Cancer Survivors. Poster Presentation at the 2013 Canadian Association of Psychosocial Oncology Conference, Ottawa, Ontario.
13. Daly, A., **McIntosh B.**, Wharf-Higgins, J., Masse, L., Naylor, PJ., and Amed, S. (October, 2012). Sustainable Childhood Obesity Prevention Through Community Engagement – Engaging Stakeholders to Address Childhood Obesity – What Does It Take? Poster Presentation at the 4th Annual Conference on Recent Advances in the Prevention and Management of Childhood & Adolescent Obesity – from practice to policy, Halifax, Nova Scotia.
14. **McIntosh, B.**, Metz, S., and Barsevick, A. (October, 2010). Preliminary Findings: A Needs Assessment of the Problems, Needs and Resources of Fox Chase Cancer Center Survivors. Poster presentation at the 16th Annual Qualitative Health Research Conference, Vancouver, British Columbia.
15. **McIntosh, B.**, and Mustalish, R. (October, 2009). Identification of Disparities in Prostate Cancer Outcomes and Services across the State of Pennsylvania. Panel presentation at the Annual Meeting of the Pennsylvania Public Health Association, Pittsburgh, Pennsylvania.
16. **McIntosh, B.**, and Metz, S. (November, 2009). Sexual Health Attitudes amongst University Students. Poster presentation at the Society for Public Health Education 60th Annual Meeting, Philadelphia, Pennsylvania.

GRANTS AND AWARDS

1. Theophilus S. Lynch Fund for Humanities, Grant, Funded 2021
 - Principal Investigator: Emily Feuerherm
 - Co-Investigators: Cedric Taylor, **Bonnie McIntosh**, and San Juana Olivares
2. Local Initiatives Support Corporation, Small Business Grant, Funded 2020
 - Business: Veggie Village
 - Consultant: **Bonnie McIntosh**
3. Digital Main Street, Small Business Digital Program Training Award, **Bonnie McIntosh**, Awarded 2020
4. The Flint Truth and Action Partnership Project (FTAAPP), Grant, Funded 2020
 - Principal Investigator: Emily Feuerherm
 - Co-Investigators: **Bonnie McIntosh**, and San Juana Olivares
5. Michigan Institute of Clinical Health Research, Clinical Research Award, Funded 2019 - 2020
 - Principal Investigator: Emily Feuerherm
 - Co-Investigators: **Bonnie McIntosh**, and San Juana Olivares
6. The Flint Truth and Action Partnership Project (FTAAPP), Grant, Funded 2019
 - Principal Investigator: Emily Feuerherm
 - Co-Investigators: **Bonnie McIntosh**, and San Juana Olivares
7. Population Strategic Knowledge Cluster, Research Travel Award, **Bonnie McIntosh**, Funded 2015
8. University of Ottawa, Destination 20/20 Award, **Bonnie McIntosh**, Funded 2014
9. University of British Columbia, Harriet Sarah Byrne Award, **Bonnie McIntosh**, Funded 2014
10. University of British Columbia, Lena Adam Memorial Award, **Bonnie McIntosh**, Funded 2013
11. Canadian Institutes of Health Research, Knowledge to Action Grant, Tele-SCOPE - Translation, Evaluation and Learning's Exchanged for Sustainable Childhood Obesity Prevention Through Community Engagement, Funded 2013 -2015
 - Principal Investigators: Shazhan Amed, Donna Dixson, and Christina Vugteveen
 - Co-Investigators: Stephen Berg, Jean-Paul Collet, Louise Masse, **Bonnie McIntosh**, Patti-Jean Naylor, and Joan Wharf-Higgins
12. University of British Columbia, Graduate Studies, Research Travel Award, **Bonnie McIntosh**, Funded 2013
13. Canadian Agency for Drugs and Technologies in Health, Research Travel Award, **Bonnie McIntosh**, Funded 2013
14. Canadian Institute of Health Research and the University of British Columbia, Trainee Research Fellowship Supportive Cancer Care, **Bonnie McIntosh**, Funded 2012 - 2013
15. University of British Columbia, Dennet Kuan Memorial Award, **Bonnie McIntosh**, Funded 2012
16. University of British Columbia, Lena Adam Memorial Award, **Bonnie McIntosh**, Funded 2012
17. University of British Columbia, Robert Gibson Memorial Award, **Bonnie McIntosh**, Funded 2011
18. Canadian Institutes of Health Research Award in Population Intervention for Chronic Disease Prevention, Trainee Research Fellowship, **Bonnie McIntosh**, Funded 2010 - 2011

19. Ohio Public Health Association Annual Meeting, Third Place Award (Poster presentation, Preliminary Findings: A Needs Assessment of the Problems, Needs and Resources of Fox Chase Cancer Center Survivors), **Bonnie McIntosh**, Funded 2010
20. West Chester University, Department of Public Health Sciences Research Grant, **Bonnie McIntosh**, Funded 2009
 - Principal Investigator: Stacie Metz
 - Co-Investigator: **Bonnie McIntosh**
21. West Chester University, Graduate Office Student Research Travel Award, **Bonnie McIntosh**, Funded 2009
22. West Chester University, Department of Graduate Studies Grant, **Bonnie McIntosh**, Funded 2008 – 2009

COMMUNITY AND ACADEMIC STAKEHOLDER LEADERSHIP ROLES

1. **University of Michigan - Flint**, Health and English as a Second Language Literacy Program, **Community Partner**, 2017 - Current
2. **University of Michigan - Flint**, Counseling and Psychological Services, **Co-Creator**, Mental Health Video 2021
